

Women of Open Source Software: Motivations and Experiences

Friday, 24 September 2021 07:40 (30 minutes)

In this interactive session we will discuss why women join OSS, why they stay in OSS and what are their experiences of contributing to OSS. Based on empirical evidence from surveys and interviews, we will brainstorm strategies for welcoming more women to OSS and for improving retention of women in OSS.

Presenter: Dr SINGH, Vandana (iSchool at University of Tennessee – Knoxville)

Session Classification: Diversity, Equity & Inclusion MC
